

Basic and advanced level of the Finnish language (0-A2.1)

2.9.2024-13.3.2025

Study online both guided at specified times and independently whenever it suits you.

The course includes basic level of the Finnish language 2.9.-28.11.2024 (0-A1.3) and advanced level of the Finnish language 2.12.2024-13.3.2025 (A1.3-A2.1)

After the basic level (A1.3) student

- can tell about himself
- can read and understand simple everyday texts
- can survive in ordinary everyday situations
- can ask for help
- understand spoken language if it is clear and slow
- can speak Finnish, but the vocabulary is limited, simple and familiar
- can pick out certain words from conversations and thus understand what it is about, even if he/she doesn't understand the whole thing yet
- can speak politely
- can write understandable short messages

After the advanced level (A2.1) student

- can converse quite freely and casually in everyday situations
- knows how to do business in a shop, cafe, restaurant
- knows how to express his opinion and exchange ideas
- can ask for repetition and clarification if the situation requires it
- can propose things and respond to suggestions
- understand texts containing familiar vocabulary
- can both orally and in writing produce short messages using correct everyday vocabulary
- can tell about both future and past events
- gets a picture of Finnish society and culture
